

## MEMBERSHIP FEE 2018

For a full membership with the Eventcrew association, the membership fee of SEK 150 must be paid every year. Before the payment, you cannot take advantage of the offers given by the association.

If it is not possible to pay this fee from abroad, the fee will be taken from the compensational fee given at the end of the festival.

For both new and old members it is important that we always have updated membership applications, so that we **always** have the correct information about you.

***Welcome to a whole new year, in every way with both enormous opportunities for development and the chance to influence this years' organization.***

***The Board of Eventcrew***
